**STRIVES  
FOR  
PERFECTION**

Quality Fundamental and  
Credit Foremost

Established in 1996, Xiangshan Victor Hardware Co., Ltd is a professional manufacturer and supplier of Building Hardware and Furniture Hardware, we provide a wide range of hardware products covering Building & Furniture Hardware such as Door Lever Handles, Lock Bodies, Boss Handles, Bar Handles, Pulls & Knobs, Stair Rod etc. All the items manufactured in our company mainly made of Zinc Alloy, Solid Brass & Stainless Steel etc. So far, we have developed 30 series and about more than 300 different specifications. Due to high quality with competitive prices, our product lines have been selling well throughout Western Europe, Eastern Europe, North America, South America and other countries.

Our company is located in Xiangshan Economic Development Zone of Ningbo City, Zhejiang Province. We have production bases covering an area of 6000 square meters & Employee of 200 people. In addition, as the Ningbo port which is one of biggest seaports in China, the convenient sea transportation has brought us more opportunities and competitive advantages in foreign markets. We have also won recognition and trust from our customers for our advanced equipment, strong R&D power and strict quality control system. With more than ten years of production and R&D experiences, we have the ability to meet all customer requirements.

Our company is committed to providing quality products and superior customer services, and also adhering to our long-term cooperation spirit of "Quality Fundamental and Credit Foremost".

All the friends who come from all over the world are sincerely welcomed to visit our company. For more details, please feel free to contact us directly.
